City of Ocoee CRA to Start S. Blackwood Avenue Refresh Project

In our continued efforts to "Green Up" Fifty West, the City of Ocoee's Community Redevelopment Agency (CRA) will start re-landscaping the medians on S. Blackwood Avenue between State Road 50 and Old Winter Garden Road. The project includes replacing the dead Palms and declining plant material, adding grasses, irrigation improvements, and a fresh layer of mulch to finish up the refresh of the medians.

Work will begin the week of November 5th and is expected to be completed around November 16th, weather permitting. To complete the S. Blackwood Refresh Project, the Contractor, BrightView Landscape, will need to close the center northbound lane; the southbound lanes and the intersections will remain open. Construction hours are anticipated to be between 7:30 a.m. and 3:30 p.m., weekdays.

The CRA has more plans to beautify its redevelopment district, "Fifty West", which is defined as the area between SR 429 and Clarke Road, and the Turnpike on the south, north to Story Road. Stay tuned for our next project announcement. If you have any questions regarding the S. Blackwood Avenue Refresh Project or about Fifty West, please contact the Ocoee CRA.
